

SALT TOLERANT PLANTS

Achillea species
Aesculus hippocastanum
Alcea species
Amelanchier species
Aquilegia species
Arctostaphylos uva-ursi
Aronia arbutifolia
Artemisia species
Astilbe species
Baptisia australis
Buddleia davidii
Calluna vulgaris and varieties
Carya ovata
Catalpa speciosa
Chaenomeles speciosa
Clematis species and varieties
Clethra alnifolia and varieties
Comptonia peregrina
Cornus racemosa
Cotinus coggygia and varieties
Cotoneaster species and varieties
Delphinium species
Deutzia gracilis
Dianthus species
Dicentra spectabilis
Festuca ovina 'Glauca'
Forsythia species
Gleditsia triacanthos inermis
Gymnocladus dioicus
Hamamelis species and varieties
Hemerocallis species
Heuchera species
Hosta species
Hydrangea species
Hypericum species
Ilex glabra and varieties
Ilex opaca
Iris germanica
Juniperus chinensis varieties
Juniperus conferta and varieties

Juniperus horizontalis and varieties
Juniperus virginiana and varieties
Koelreuteria paniculata
Larix decidua
Larix laricina
Leucothoe fontanesiana
Ligustrum species
Lilium hybrids
Liquidambar styraciflua
Lonicera species
Monarda didyma
Myrica pensylvanica
Nyssa sylvatica
Pachysandra terminalis
Paeonia cultivars
Parthenocissus quinquefolia
Perovskia atriplicifolia
Phlox species
Picea glauca
Picea pungens and varieties
Pieris floribunda
Pinus leucodermis
Pinus mugo and varieties
Pinus nigra
Pinus sylvestris and varieties
Pinus thunbergiana
Platanus x acerifolia
Potentilla fruticosa and varieties
Quercus alba
Quercus robur
Rhus species
Rosa rugosa and varieties
Sambucus canadensis
Sedum species
Syringa reticulata
Spiraea species
Symphoricarpos albus
Syringa vulgaris and varieties
Taxodium distichum
Taxus cuspidata and varieties
